Character

THESE THINGS MAY NEVER COME EASILY TO YOU:

- to express your genius (because you're unsure you're smart enough to make a difference)
- to break the mold (because your career path is unstable and you are not respected enough to push for change)
- to point out the flaws in the system (because the hidden irrationalities in your field seem certain to come down on you)
- to be as brilliant as you really are (because you fear becoming the scapegoat)

PURSUDE THESE THINGS WITH DILIGENCE AND BECOME EXCELLENT AT THEM.

APT CAREER AVENUES FOR YOU TO PURSUE

- technology, especially IT/engineering
- the sciences
- academia (except you hate the politics)
- breaking new ground in any field

- build communities, agitate for change and be open to others' edgy ideas
